

Collaboration Seminar

INC presents a seminar for nonprofit organizations and funders about the power and purpose of collaboration.

Presentations and Discussions

- **After Hurricane Katrina**, New Orleans nonprofits didn't have a choice. They had to collaborate. Hear a firsthand account of what lessons were learned.
- **Carol Lukas, president of the Fieldstone Alliance**, will discuss how Fieldstone helps organizations and collaboratives plan and manage change in strategic directions and build capacity for greater impact.
- **INC will unwrap** its new catalog of services available to tri-state nonprofits.

Concurrent Breakout Sessions

- **Grant Collaboration**: In our own backyard are examples of organizations that have sought funding for a common goals or deliverables.
- **Your Business Dashboard**: Experts from Definity Partners talk about developing and refining meaningful measurements and metrics for nonprofits.
- **Service Learning**: Learn how to leverage NKU service learning classes for your nonprofit.
- **Collaboration Tools**: General Electric's Lean Six Sigma in the Community is among the techniques being applied in the tri-state to build strong nonprofits and stronger collaborations.
