

INDY ONboard Facts At A Glance

What does INDY ONboard do?

Identifies, trains and refers highly qualified board candidates from Central Indiana businesses to openings with nonprofit boards.

Benefits

- Employee participants develop competencies that can be used “back on the job” – problem solving, organizational management, and communication skills
- Leadership development, networking, increased visibility, and community building
- Customized seminars for employees and community investment strategy assistance*
- Strategic, powerful, and enduring relationships in local community
- Positive impact on employee morale, retention, and job satisfaction

Value Proposition

- **For individuals** – Purpose, meaning, skills development, and accomplishment
- **For nonprofits** – Stronger boards, increased resources, mission, and accomplishment
- **For businesses** – Leadership development, networking, increasing visibility, and community building

Commitment: Time & Money

- **Money:** Membership levels from \$1,000-15,000 (*Contact us about membership levels*)
- **Time:** 6 hours for assessment, training and placement with the option of additional training – ex. Friday’s 2.0 held monthly on 2nd Fridays from 8:30-9:30 a.m. (Time commitment related to actual board service will vary)

How to Get “ONboard”

- Meet with TLD Director of Corporate Relations to discuss membership levels;
- Select membership level
- Complete member application; and
- Begin nominating employees for participation.
